Dear Parents/Carers,

Hillside Virtual Sports Day

As you will be aware, the summer term is usually our school sports day event. Like many things this academic year, this will not be able to take place in its usual format; however, we have been planning how we can host this event in a different capacity!

The week commencing 29th June will be our Hillside Virtual Sports Event!

If you got to the Sports News page (<https://www.hillside.wokingham.sch.uk/news/sports-news/>) on the school website, you will find instructions of how to do each challenge. Please also look out for a short video of each one on the PE twitter page. Simply follow the instructions, input the score onto the score sheet that has been emailed and email your results to: sportsday@hillside.wokingham.sch.uk by Friday 3rd July at 10:00am. When you send in your child's score, these will convert to a bronze, silver, gold or platinum medal and then will be added to your child's house. The results will then be declared based on the medal table (like in the Olympics).

Your child can earn additional medals for their house, if you post photos or videos of them completing the challenges onto the Hillside PE twitter page (@HillsideSport) By the end of the day on Friday 3rd July, we aim to announce the winning house of our Hillside Virtual Sports Day! If you could send scores in as soon as you can, that will really help us to keep the scoring system updated; therefore, we will be more likely to be able to announce the winning house on the Friday.

If your child is currently in school 3 days a week, they can complete challenges on their days at home. If your child is in a Key Worker bubble all week, they will be able to complete theirs in school.

We are really looking forward to seeing all of the children trying out the challenges. Keep an eye out on our social media pages for something from the Hillside Staff!

Thank you for your continued support
