Dear Parent/Carers

The new SIMS Parent Lite app (SIMS Online Services) – Easy Access for Data Collection

We hope you find this to be a convenient way to update your contact details, so that we always have the most up-to-date information in case of an emergency. It will replace the need for paper data collection sheets to go home via the pupil book bags each year which makes for a more secure way of handling your personal data.

You can access the system from a smartphone, tablet or PC – anytime, anywhere!

Once your child has been added to our SIMS database you will be invited to join as below

Getting started with the SIMS Parent Lite app

1. You will receive an activation email from noreply@sims.co.uk containing a unique invitation code, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal Facebook, Twitter, Google or Microsoft username and password.

Note: Parents cannot register using SIMS ID

If you already have the App from another school for a different family member, once you have registered and refreshed the app both schools will appear on your screen making it simple to amend both pupils.

Unfortunately, if you do not have one of the above account types you would need to create a Microsoft Hotmail account to proceed with the registration process and have access to your data through SIMS Parent app/www.sims-parent.co.uk

3. From your smartphone or tablet, download the app from Google Play or Apple App store – search for **SIMS Parent**.

4. From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you have not yet received a registration email, please check your SPAM folder before contacting the school.

Your activation email will expire after 14 days if it is not used, please contact the school if you require a replacement after this date.

Please take the time once connected to check the information the school holds and make any necessary changes.

If you have any concerns or problems setting up the SIMS Parent – SIMS Online Services please contact admin@hillside.wokingham.sch.uk.

Kind regards,
