Dear Parents/Carers

Stone Age Workshop

We are pleased to inform you that we have booked a Stone age workshop to come in and visit the children to inspire them with this term's topic. Our question is "Has Neolithic man left a better legacy than we will?"

To help us answer this, our visitor will share with us his expert knowledge and artefacts to help us better understand about Stone life and how this still affects our lives nowadays. There will be a huge collection of stunning historical resources, offering a hands-on workshop experience.

The aim of the workshop is to bring a historic drive for the children and get them thinking about the past from a different viewpoint.

For this day, your child is invited to come into school dressed as Neolithic people if they wish.

This workshop will take place on **Monday 8th November 2021**. The cost of the workshop is **£6.40** per child payable via your Scopay account by **Monday 1st November 2021**.

Yours Sincerely
